IMPORTANT NOTICE TO CARTAGE COMPANIES

As per the Port of Miami Tariff, please be advised that all cartage companies are required to provide a current copy of their Certificate of Liability Insurance along with a schedule of drivers and vehicles covered under such insurance policy.

Cartage companies are responsible for notifying the Permit Section of any variations to the policy, including but not limited to, the addition and/or removal of drivers and vehicles. Any changes to the Certificate of Liability Insurance and/or Driver/Vehicle Schedule must be sent to our attention to guarantee uninterrupted access to the Port of Miami premises.

Prior to individuals renewing or obtaining an identification badge, the Permit Section must receive notice from the insurance company that said individual is covered under the policy. In addition, individuals need to bring proof of insurance to the Identification & Credentialing Office. This policy will be strictly enforced; no identification badges will be issued without proof of insurance.
